Can you guess what kind of pet is in the house?
They would sing so very sweet and eat seeds for a treat

Put them into a box or bag. Sing the song with the clues and let children guess. Pull out each animal after guessing.

Grandma's Glasses

Here are Grandma's glasses,
And here is Grandma's hat,
This is the way she folds her hands And lays them in her lap.

Here are Grandpa's glasses,
And here is Grandpa's hat,
This is the way he folds his arms JUST LIKE THAT!

Act out this rhyme together in an exaggerated way. Be silly!

ROLL AND TELL
About your family

Play this game with a small or large group. Take turns rolling the dice. Every time you roll, you have to tell something about your family.

	How many brothers do you have?	How many sisters do you have?	Do you have any pets in your family?
	What are your parents' names?	How many cousins do you have?	Who is the youngest person in your family?
	What's your favorite family activity?	How many people are in your family?	Are you an only child?
	Do you like to go on car rides with your family?	Who is the tallest person in your family?	Who does **not** like to cook in your family?
	Do you have a little brother or little sister?	Who is the funniest person in your family?	Do you have a big sister or a big brother?
	Who cooks in your family?	What are your parents' jobs?	What is your favorite family tradition?
