Rhyming Fun

Read Together

(Sing to the tune of "The More We Get Together")

The more we read together,
together, together,
The more we read together,
the happier we'll be.
'Cause your books are my books,
and my books are your books.
The more we read together,
the happier we'll be.

Oh, the more we read together,
together, together,
The more we read together,
the happier we'll be.
Read big books and small books,
and short books and tall books.
The more we read together,
the happier we'll be!

At the Library

Inspire a love of the Library in your child and you will prepare them to become a lifelong reader and learner. Here are some great ways to celebrate reading and the Library together.

Ideas & Tips

- On your way to the Library, talk about what you'll see and do while you're there. At the Library, point to and describe the colors, shapes, and letters you see. From the size of the books to the colors on the walls, the Library is a rich environment to explore.
- While at the Library, sing to your child. You can sing nursery rhymes or make up your own songs simply by describing what you're doing: "Let's look for a book in this little nook..."
- Visit Pierce County Library's several locations – each Library is unique and fun to explore.
- While at the Library, go to story time together. There are options on various days and times, so you can pick the most convenient time and location for you. The calendar is at piercecountylibrary.org/calendar.
- Introduce your child to a Librarian at the Library! They're wonderful helpers for your child to become comfortable with as you explore together.
