Friendship Snack Mix
Idea from: https://oneshetwoshe.com/friendship-snack-mix/
Share together some ideas about what you might put in a snack (trail) mix.
Once you have a list, gather (or buy) the ingredients and combine them to make your mix. Here are a few ideas -
- Chocolate pieces (or peanut butter cups!)
- Dried Fruit (raisins, cranberries, banana chips)
- Cereal
- Small crackers or pretzels
- Nuts (if no one has any nut allergies)

Beach Ball Toss
What you need:
- Beach Ball and Markers
Draw pictures on the beach ball where each picture stands for a question to ask. Toss the ball back and forth. Children answer the picture question that their hand touches on the ball.
A few ideas -
- Heart Shape = Someone they love
- Star = Favorite famous person
- Music Note = Favorite Song
- Dog Face = Favorite Animal
- Dice = Favorite Game
Create your own fun picture questions too!

Art Project Idea: Friendship Bracelets or Keychains
What you need:
- Pipe cleaners, or yarn, thick string, or plastic lanyard
- Pony Beads or any bigger bead
Encourage children to make bracelets for each other using these simple materials. They can also make a keychain or something that could hang on their backpack or lunchbox. Have fun!
