All together now for Summer Reading at the Pierce County Library System

PIERCE COUNTY, Washington – Gather the family and head to the Pierce County Library System for the Summer Reading Program now through Aug. 31, 2023. Join reading challenges with activities, events, prizes and more. This fun, free program is a great way to foster a love of reading for the entire family.

“During the summer, the library provides activities to keep kids busy and help them keep their reading skills sharp for their return to school in the fall,” said Pierce County Library Executive Director Gretchen Caserotti. “Participating in the Summer Reading Program as a family is a great way to enjoy the summer together and support students for year-round success.”

Reading helps kids retain what they’ve learned this school year and prepares them to achieve in the coming school year. The Pierce County Library’s Summer Reading Program challenges students of all ages to read every day and earn prizes such as passes to Point Defiance Zoo & Aquarium or Northwest Trek and books they can keep, thanks to the Pierce County Library Foundation.

The Summer Reading Program also offers events for the whole family. Some events include:
