**Here is a House**
Here is a house built up high (hands over head to make a roof)
With two chimneys reaching for the sky (raise arms up high)
Here is a window (draw a square)
Here is a door (pretend to open the door)
If we look inside (peek through fingers)
There’s a mouse on the floor! (scamper fingers away quickly)

**Silly Animal Toast Snacks**
What you need:
Bread of any kind
Peanut butter, cream cheese, jam, nutella
(something to spread)
Fruit - bananas, grapes, raisins, berries
Create your own silly animal face!
If you don’t want to use toast, you can also use crackers.
Make a house shape for a snack too -
with window, a door, a doorknob, and a roof.
Have fun!

**Shape House**
Some houses are wood and some are stone,
But let’s build one with shapes alone.
Start with a square, but we won’t stop.
Add a triangle up on the top.
Then a rectangle for the door.
Now square windows, 1, 2, 3, 4.
A little circle is just for fun,
Now our shape house is all done!
Get out some blocks and say this fun rhyme while children build their own shape houses!

**Song: Put the Baby to Sleep**
Now it’s time to go to sleep
Put the baby in the bed
Cover the baby with the blanket
And kiss the baby goodnight. (Whaa, Whaa...)
Uh-oh! (Baby wakes up)
What does the baby need? (ask children)
Continue to add children's suggestions each time to the last verse of the song until the baby is finally asleep.
You can make this as long or as short as you like...
