Song: Where is Bear?

Sing to "Where is Thumbkin?"

or sing your own tune!

Where is bear?

Where is bear?

Here I am.

Here I am.

How are you this winter?

Very tired, thank you.

Go to sleep.

Go to sleep.

You can repeat this song with other animals who also hibernate OR sleep through a lot of the winter including hedgehog, chipmunk, groundhog, and frog. At the end of this song, you can also have children count to 3 and then shout, "Wake up, Bear!"

Song: Grizzly Bears

Sing to "Mary Had a Little Lamb" or your own tune!

Grizzly bears are big and brown,

Big and brown, big and brown,

Grizzly bears are big and brown,

And live in the woods.

Polar bears are soft and white,

Soft and white, soft and white,

Polar bears are soft and white,

And live where it's cold.

Teddy bears are just my size,

Just my size, just my size,

Teddy bears are just my size,

To cuddle with at night.
