Rhyme: Heart

I put my hands together
This is how I start,
I curve my fingers right around
And I can make a heart!

Shapes Song Guessing Game

Tune of London Bridge is Falling Down

Two sides short and two sides long, two sides short, two sides long.
Two sides short and two sides long,

I'M A RECTANGLE

My four sides are just the same, just the same, just the same,
My four sides are just the same,

I'M A SQUARE

I've got three corners and three sides, see the sides with your eyes.
I've got three corners and three sides,

I'M A TRIANGLE

I'm as round as I can be, I can be, I can be.
I'm as round as I can be,

I'M A CIRCLE

You can draw the shape as you sing the song.

*Play a "mystery shapes" game with your child. Draw a shape and see
if they can guess what it is before you finish.*

Then they draw while you guess!
