

PIERCE CONSERVATION DISTRICT

— Over 70 Years of Conservation —

FARM PLANNING AND AGRICULTURAL ASSISTANCE

Pierce Conservation District is a group of non-regulatory, boots-on-the-ground providers of natural resources expertise, knowledge, education, and dedication.

Whether you manage 1-acre or 100-acres, our Farm Team can help you!

WE CAN HELP YOUR FARM WITH

- Manure and Mud Management
- Soil Nutrient Management
- Crop Production and Soil Management
- Water Resource Management and Irrigation
- Pollinator Hedgerows
- And More!

RESOURCES

- Free Educational Workshops
- Free Soil Testing for Qualifying Producers
- Low Cost Equipment Rentals
- Cover Crop Cost Share Program
- Farm Improvement Cost Share Opportunities
- Opportunities to Expand your Ag Network
- And More!
