

Each day you do something with the library this summer, decorate a square to share what you did. You could:

- Read from a book, audiobook, graphic novel or manga.
- Attend an event or program at a library near you.
- Spend time at the library or in virtual library spaces.

The choice is yours. Check out the examples below for inspiration!

Fill in four squares to complete a row, earn a prize (while supplies last) and an entry into the grand prize raffle!

Special thanks to our Teen Council members that volunteered to share their art with us for examples: Aj F., Noel D., Sebastian G., Kirk L.
