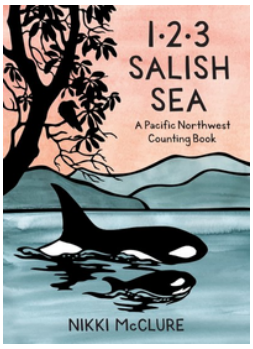
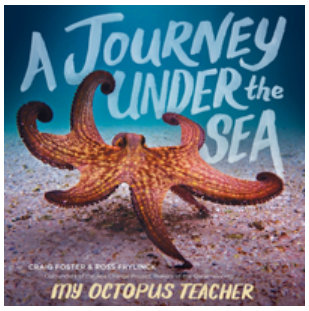
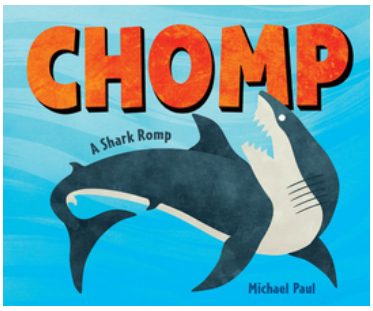
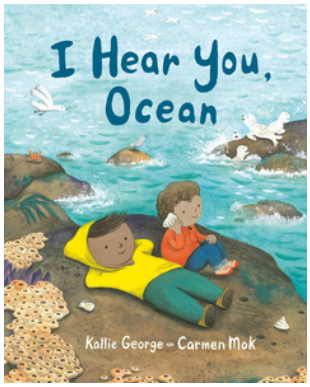
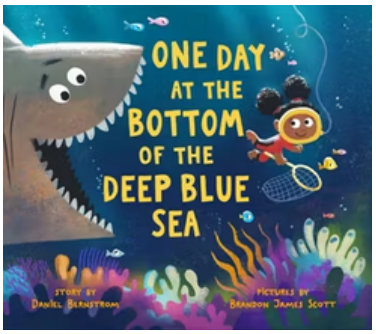
Books About Ocean Animals

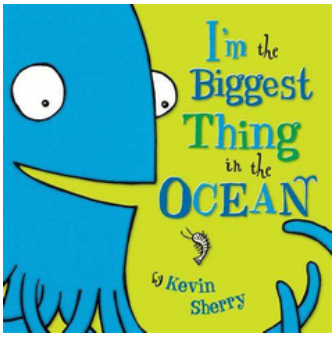


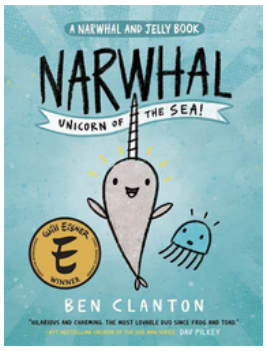


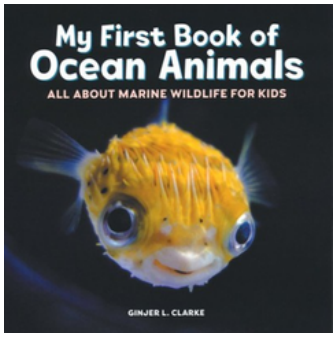


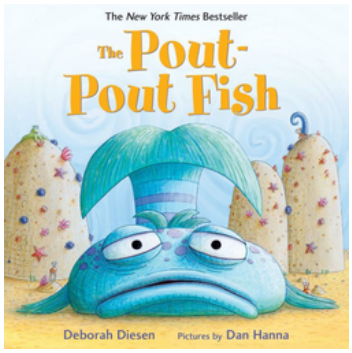


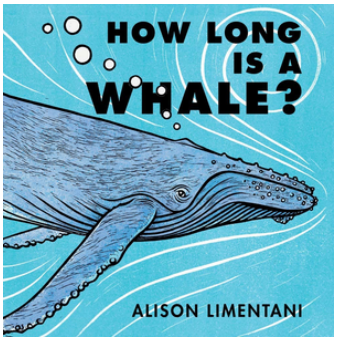












Games, Snacks, and Activities

Stretch Game: Sea Life Pictures and Dice!

Find pictures of animals that live in the ocean.
Search in books or magazines, print out pictures from the web,
draw your own sea animals,
or use some of the pictures in this activity packet!
Find some dice from another game in your home.
To play the game, think about how each of the animals
from your pictures might move.
Toss the dice to see how many times you will move like each animal.
Here are a few movement ideas -

Whale = jump up out of the water
Octopus = wiggle your arms
Sea Turtle = make your arms glide
Sea Otter = float on your back
Stingray = spread your arms out wide and float
Fish = Make your hands swim

Under the Sea Snacks

Credit: https://affordablehomeschooling.com/

What you need:

Graham crackers or rice cakes
Blueberry yogurt or cream cheese
Goldfish crackers
Crushed graham crackers *(optional)*
Blue food dye *(optional)*

Decorate an under the sea picture for your snack! Spread some blueberry yogurt or blueberry cream cheese onto a rice cake or graham cracker. Place goldfish crackers on the "water." If you want to make your yogurt extra blue, you can add a drop of food bye before spreading. You can also crush some graham crackers and add it as "sand" for your snack. Have fun!

Sand Art

Credit: https://kidactivities.net/

What you need:

Construction paper
Elmer's glue bottle
Sand *(you can purchase from Walmart, Hobby Lobby, or Amazon)*

Draw a picture or write a word with the glue.
Shake the sand over the top of the glue on the paper.
Let it sit for a few minutes and shake off extra sand.
Let it dry for about an hour.

**To make dry sand paint, mix 1 cup of sand with 1 Tablespoon powdered paint.*
Put into a shaker and shake the sand paint onto your glue design.

Ocean Animals

Which of these animals live in the ocean? Color the animals that live in the ocean and cross out all the other animals. Have fun!

sting ray
