SUMMER READING

Summer OF Stories

June 1-Aug. 31, 2025

Name _____

How it works

Follow the path and color in one section for each day that you read. Every time you reach a star on the path, you've earned a prize! Visit any Pierce County Library location to collect your prize, while supplies last.

Cómo funciona

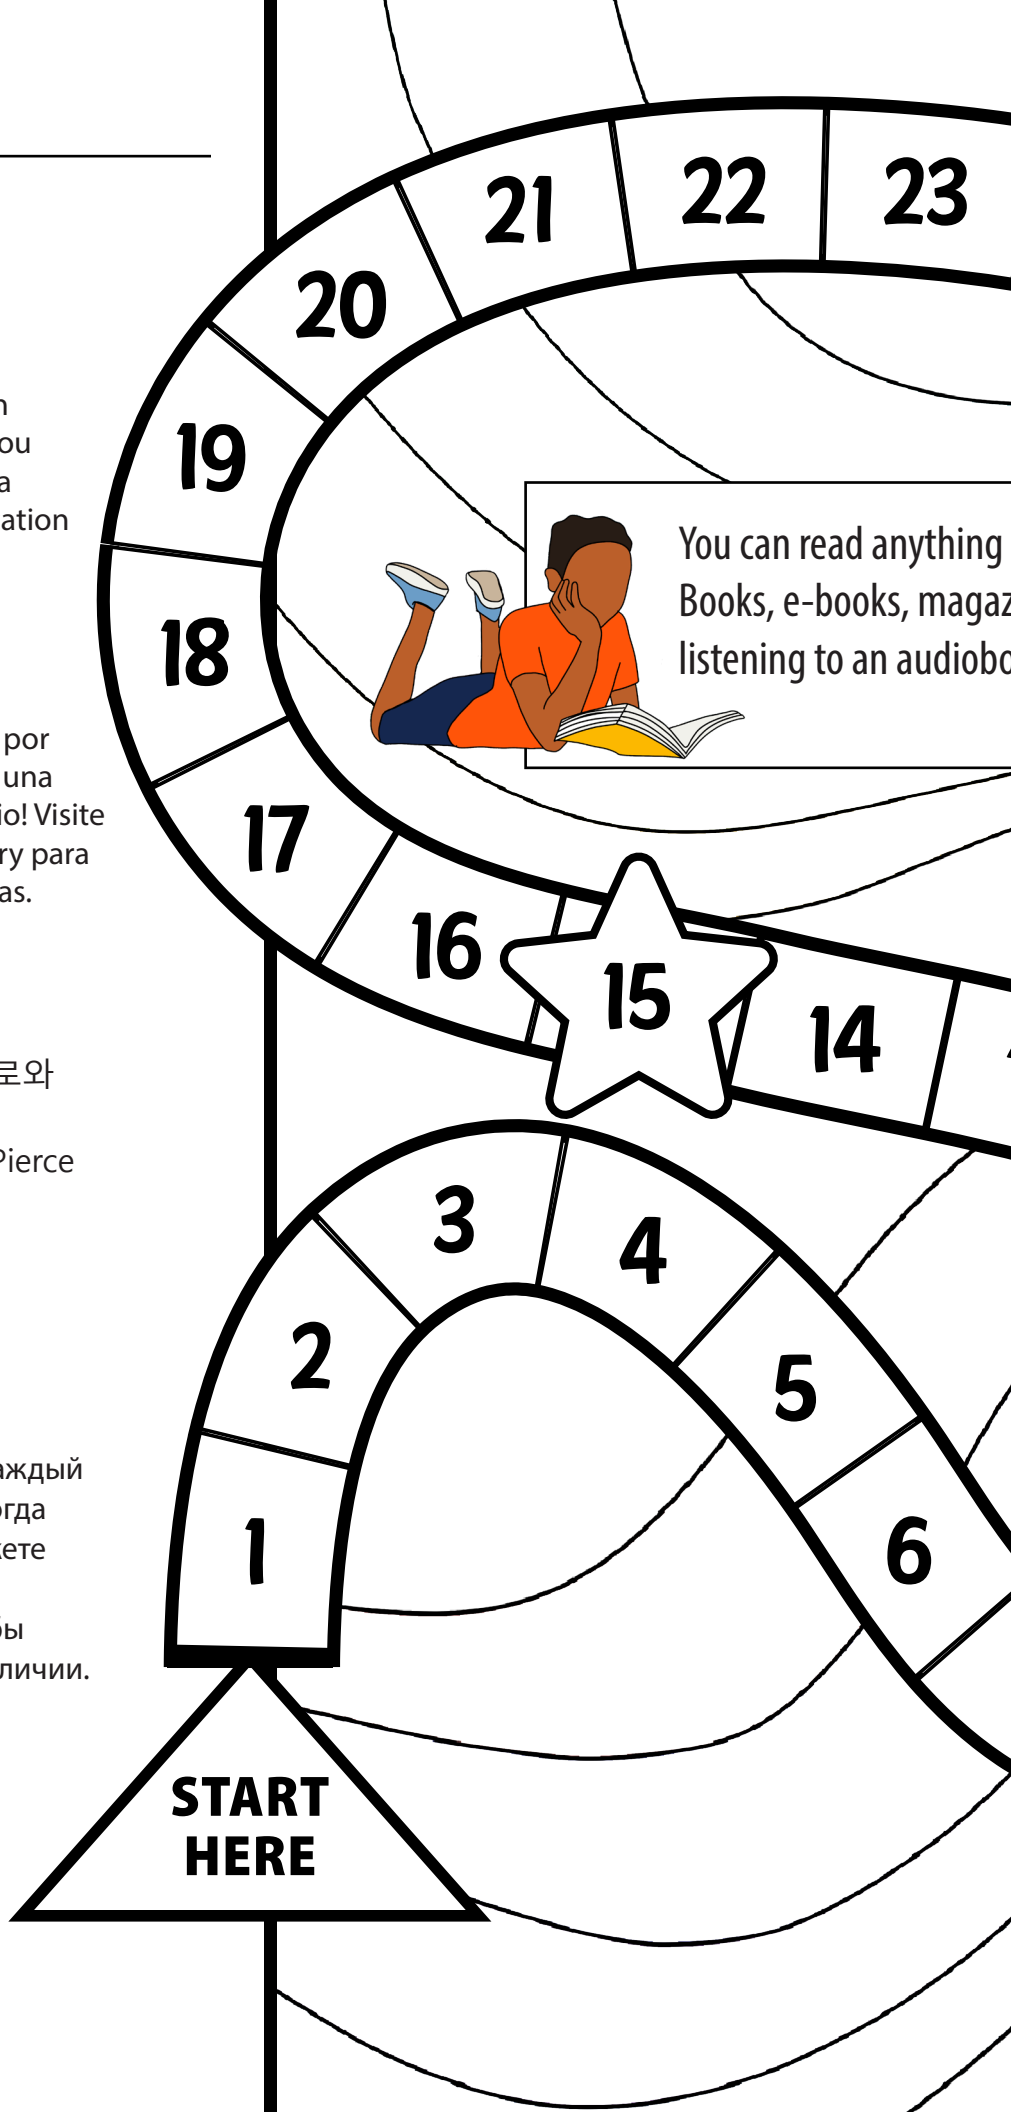

Siga el recorrido y colóree las secciones por cada día que lea. ¡Cada vez que alcance una estrella en el recorrido, ganará un premio! Visite cualquier centro de Pierce County Library para retirar su premio, hasta agotar existencias.

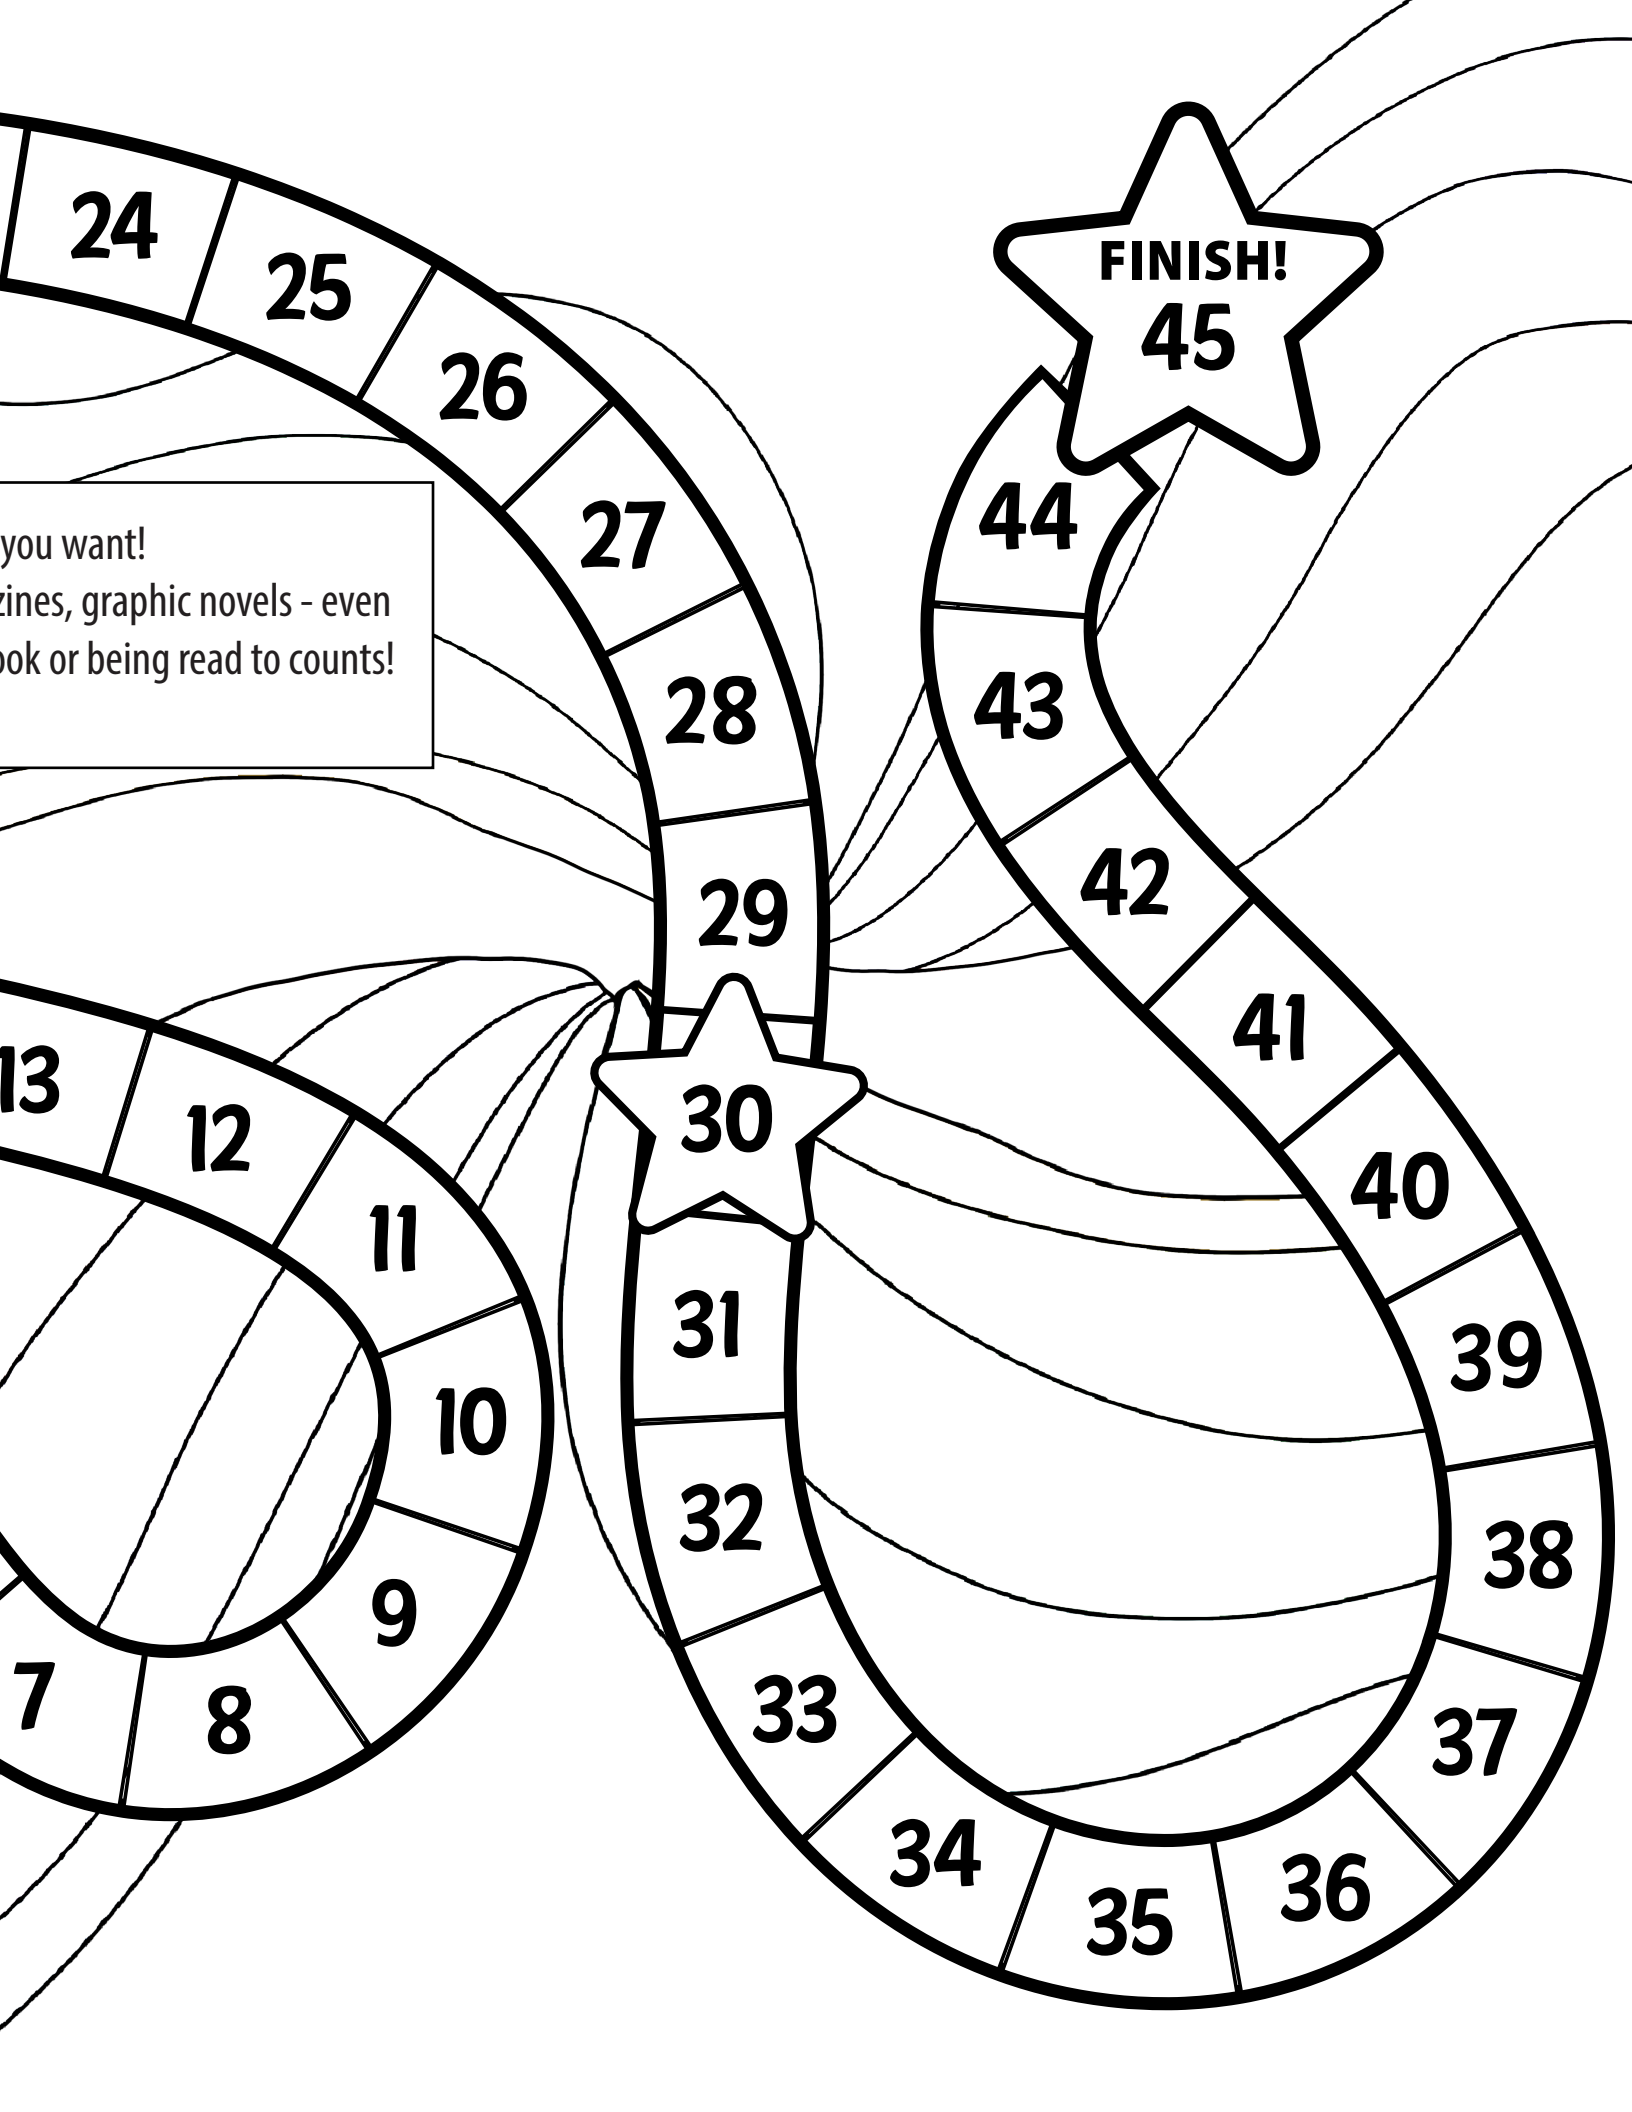

응모방법

독서를 하는 각 날마다 한 섹션의 경로와 색을 따라갑니다. 그 경로에서 별에 도달할 때마다 경품을 얻게 됩니다! Pierce 카운티 도서관을 방문하셔서 경품이 소진되기 전까지 경품을 받아주세요.

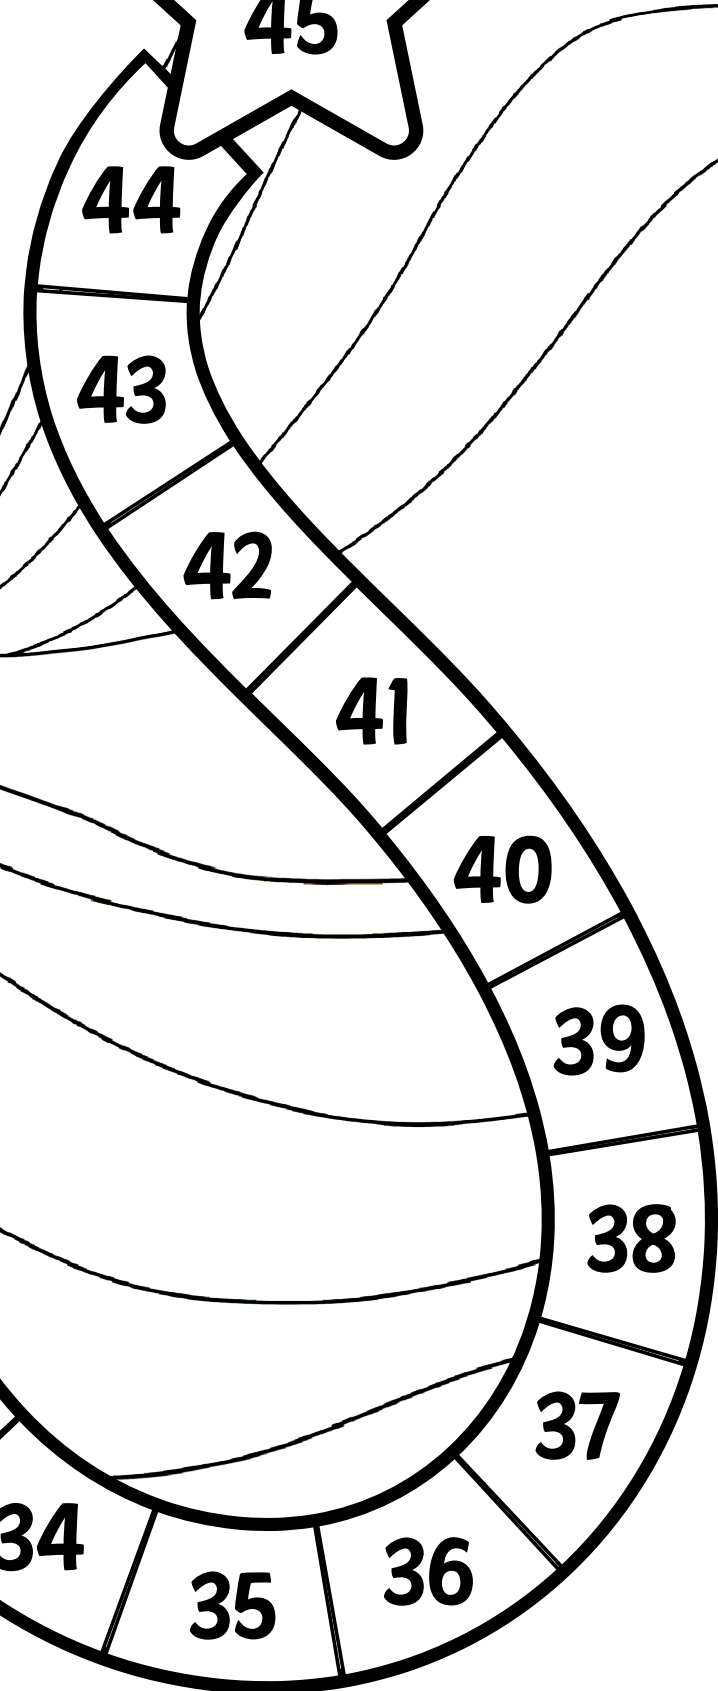

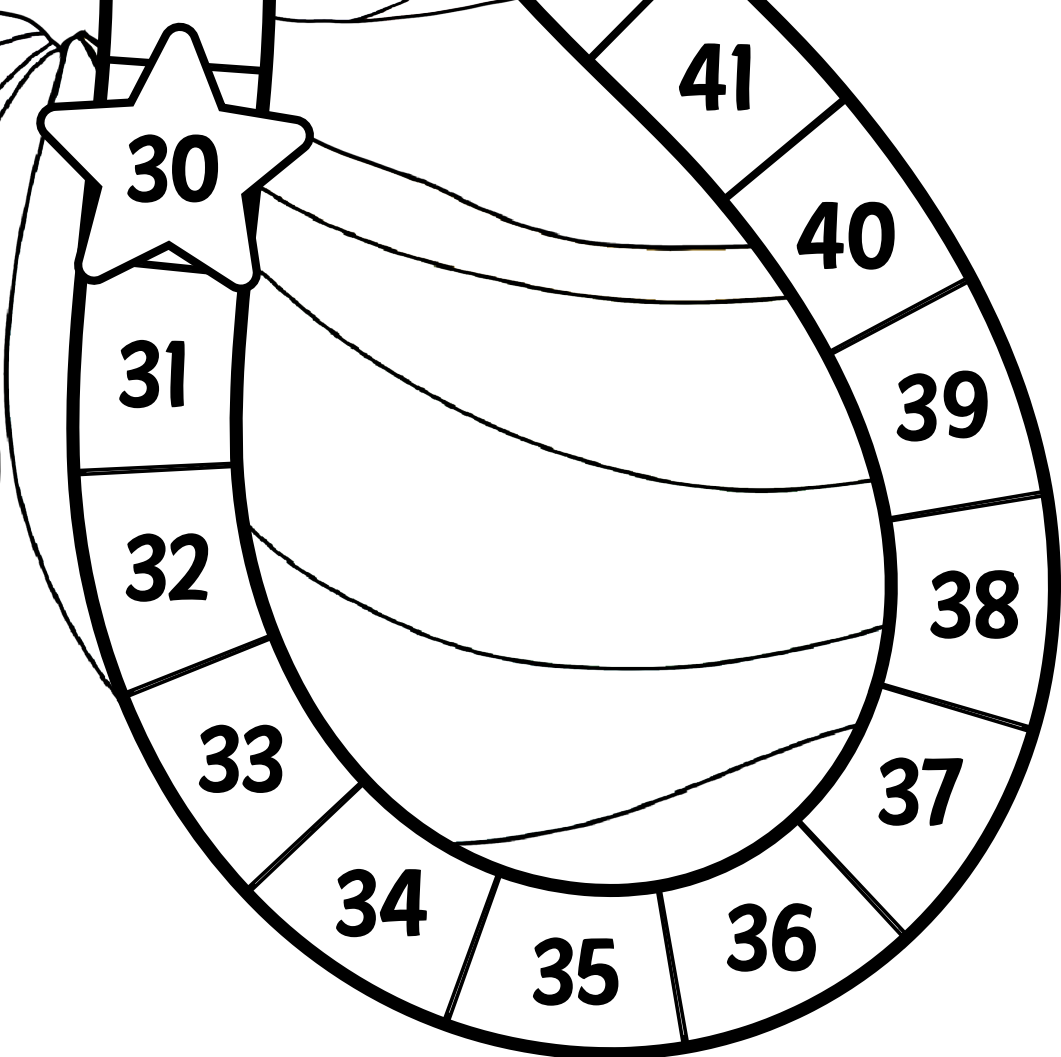

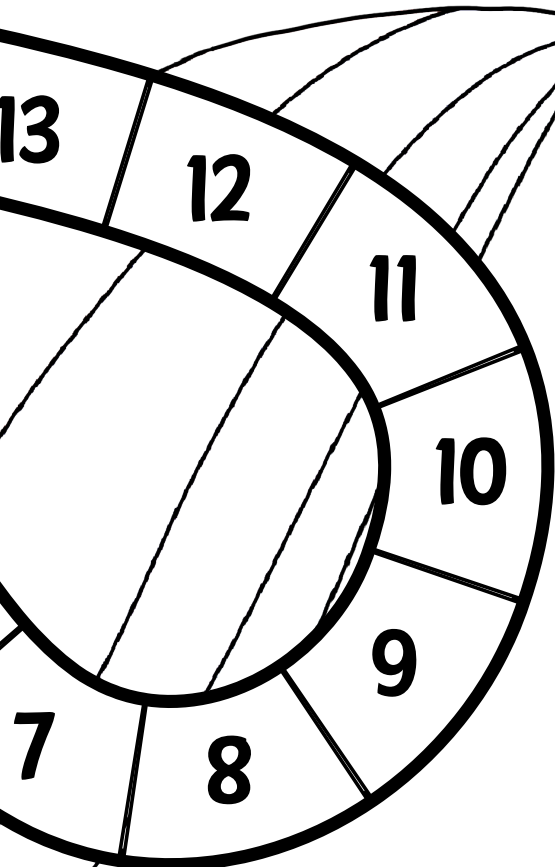

Что нужно делать

Следуйте обозначенному пути и раскрашивайте по одной секции за каждый день, когда вы читали. Каждый раз, когда вы достигаете звезды на пути, вы можете получить приз! Обратитесь в любую библиотеку Pierce County Library, чтобы забрать свой приз, пока они есть в наличии.

you want!
azines, graphic novels - even
ook or being read to counts!

Featured Free Summer Events

Gansango Music and Dance: Africa Showcase

Saturday, June 28, 11 a.m.
at South Hill Library

Experience the rhythms and movement of West Africa with drumming, dance and culture!

Pacific Science Center: Space Odyssey Wednesday, July 9, 2 p.m. at Sumner Library

Travel through our solar system and beyond in this exhibit set that explores constellations, gravity and planetary science.

Gravity Catastrophe! A Science Show Thursday, July 17, 2 p.m. at Gig Harbor Library

Get ready for a high-energy physics extravaganza where jaw-dropping juggling meets mind-blowing science!

Pacific Science Center: Physics Exhibit

Friday, July 18, 3 p.m. at Tillicum Library
