Spider on the Floor - Raffi

Tune: If You're Happy and You Know It

There's a spider on the floor, on the floor
There's a spider on the floor, on the floor
I'm scared to my core of the spider on the floor
There's a spider on the floor, on the floor

Now the spider's on my leg, on my leg
Now the spider's on my leg, on my leg
Oh, please don't make me beg, this old spider on my leg
There's a spider's on my leg, on my leg

Now the spider's on my stomach, on my stomach
Oh the spider's on my stomach, on my stomach
Oh, he's just a big old lummo, this old spider on my
stomach
There's a spider on my stomach, on my stomach!

Now the spider's on my neck, on my neck
The spider's on my neck on my neck
Oh, I'm a total wreck, I've got a spider on my neck
There's spider's on my neck on my neck

Now the spider's on my face, on my face
Oh the spider's on my face, on my face
Oh, what a big disgrace, I've got a spider on my face
There's spider's on my face, on my face

The spider's on my head, on my head
Oh the spider's on my head, on my head
Oh, I am full of dread, I've got a spider on my head
There's spider's on my head, on my head

BUT HE JUMPS OFF!

Now there's a spider on the floor, on the floor
There's a spider on the floor, on the floor
Who could ask for any more, than a spider on the floor
There's a spider on the floor, on the floor
Love you, spider! You can live there forever! Never touch
me again! Bye!

*The words to this version were updated by Erin Lafferre,
Youth & Family Services Librarian
at the Lakewood Library*

Itsy Bitsy Spider

The itsy bitsy spider climbed
up the waterspout
Down came the rain and
washed the spider out!
Out came the sun and dried up
all the rain

And the itsy bitsy spider
climbed up the spout again!

- *Sing this song with children but perhaps change the description of the spider as you sing (the enormous spider, the spotted spider, the hairy spider) are a few ideas! Might be fun to include some silly pictures.*
- *You can also hear this song sung in many languages. Visit www.youtube.com and type in "the itsy bitsy spider in many languages," You will see a fun video that showcases this!*
- *The word for spider in Swahili is Buibui!*

Possum

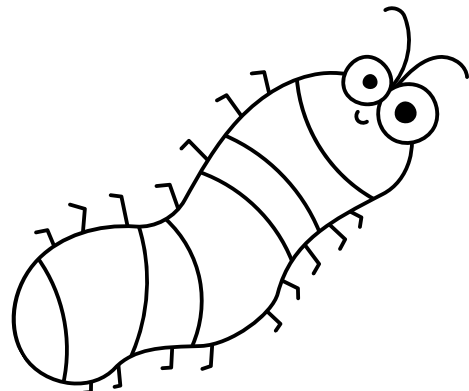

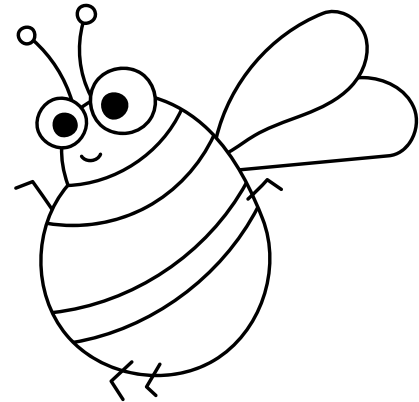

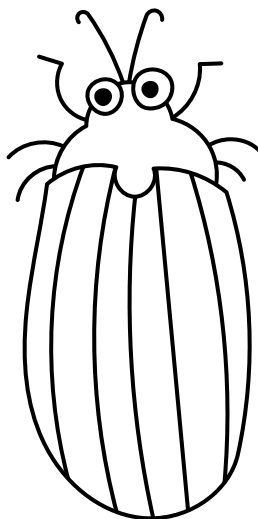

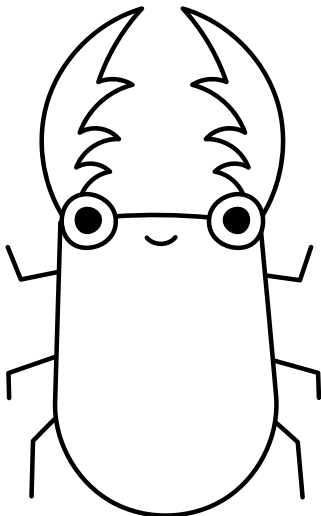

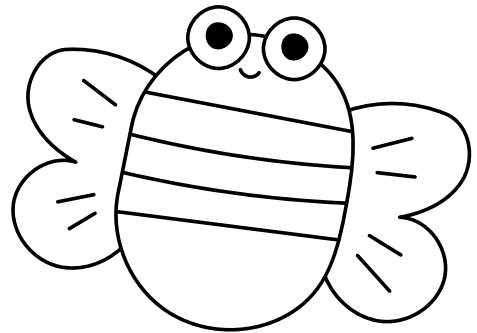

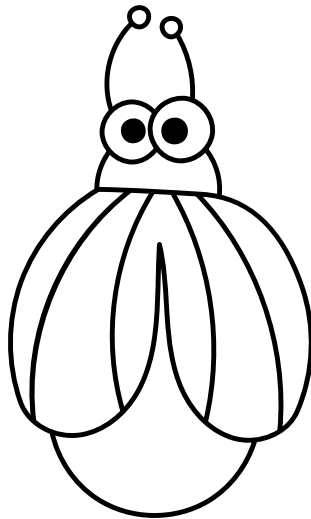

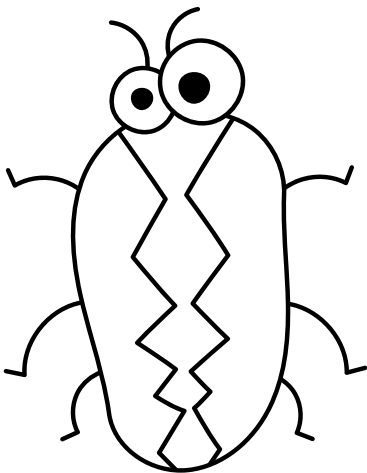

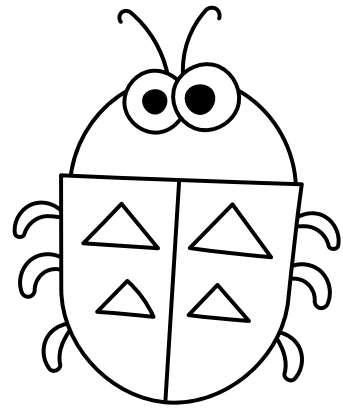

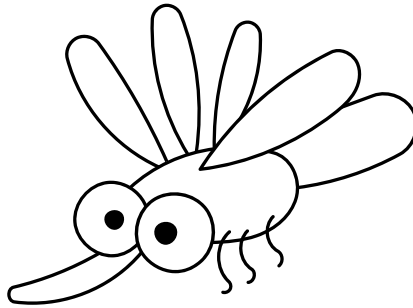

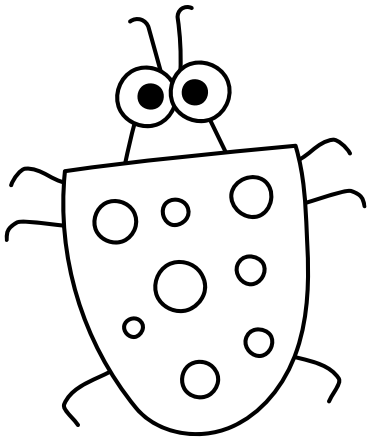

Tune: Twinkle, Twinkle Little Star

Moon, moon, what do you see?
(Point up, put hand above eyes and look around)
Possums hanging in a tree
(Hold up three fingers pointing down)
Shiny black eyes in the night
(Make circle with fingers and hold up to eyes)
With long whiskers and snouts of white
(Put hands away from face, then
bring one hand forward into point in front of nose)
Hairless tails and bodies gray
(Show "tail")

When I come out the possums play
(Slap hands against legs quickly)
