SUMMER READING

Summer
OF Stories

How it works

Each day you read or do something with the library this summer, decorate a square to share what you did.

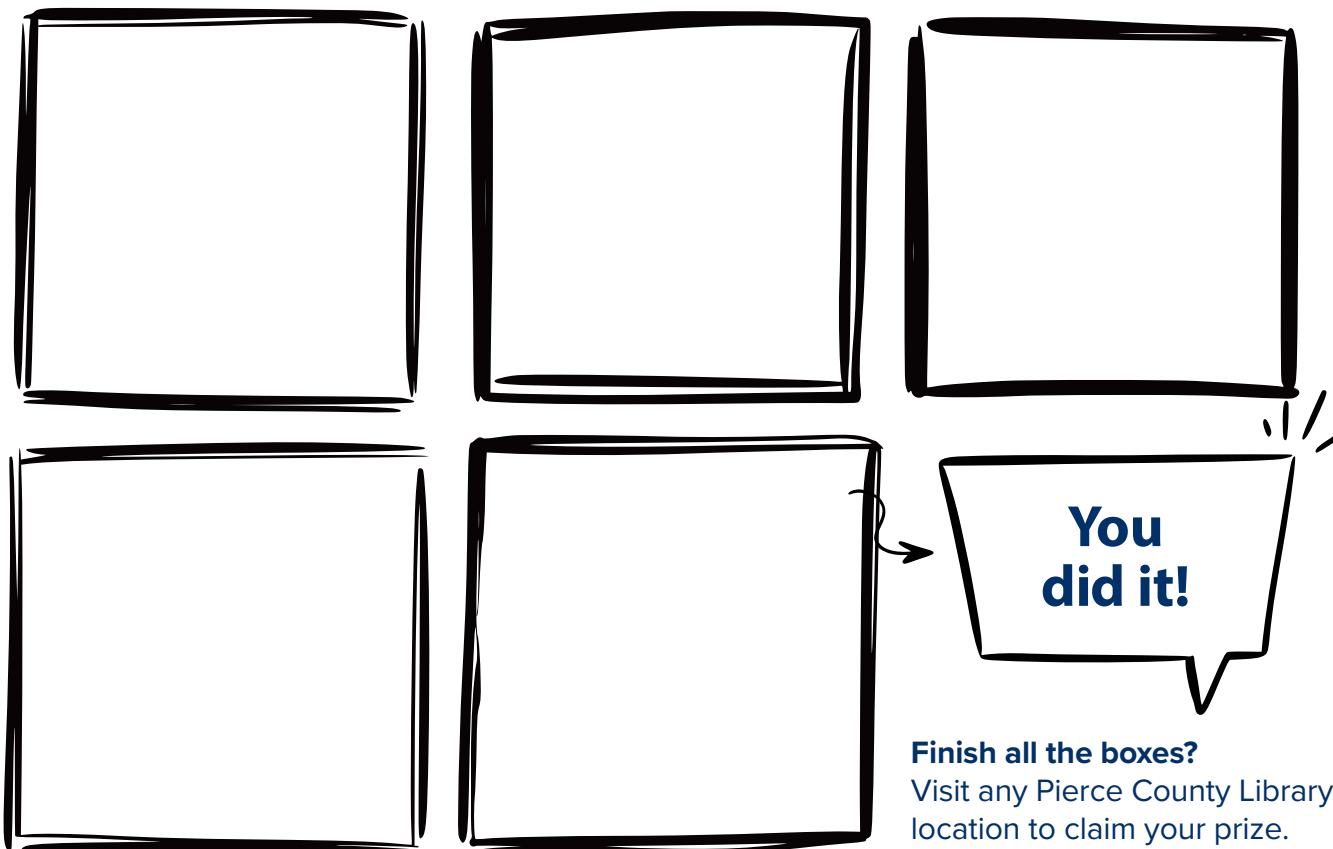

Need some inspiration?

Here are a few ideas to jog your creativity:

- Read or listen to a book.
- Attend a program at the library.
- Join the PCLTeen Discord server.
- Check out an audiobook on the Libby app.

Cómo funciona

Cada día que leas o haces algo con la biblioteca este verano, decora un cuadrado para compartir lo que hiciste.
